- 1431 Sq. Ft. Lower
- Brick & Lap

Inviting 5 bed family home with a spacious floor plan. Warm and modern dressed in designer paint with accent colors. Formal sit down dining room blends with kitchen and flows through to the patio. Gorgeous entry room with stone, pine & cedar & natural sunlight. Maple cabinets and all the appliances stay in the open designed kitchen. Warm family room with a pellet stove on slate tile and a touch of barn wood trim. Upgraded baths offer rainfall shower, glass, pedestal, glazed ceramic tile, jetted tub and floor to shower travertine tile. Designed family safe with large egress windows, raised pellet stove, smoke detectors in each room, carbon monoxide detector & fenced yard. Lush backyard with privacy fence and gazebo. Other notable items: new furnace in 2009, auto sprinklers, attached 2 car, new 50 year Malarkey roof, 2 ½ baths, central air, all appliances including washer & dryer, large laundry room with cabinets, sink and shelving. Cable & phone to all rooms, basketball hoop. All on East H Street.
